

## HANNAH L. SANDE

### Department Address:

University of California, Berkeley  
Department of Linguistics  
1203 Dwinelle Hall #2650  
Berkeley, CA 94720-2650

### Email address:

hsande@berkeley.edu

### Website:

<https://hannahsande.com/>

### EMPLOYMENT

|                                                                               |              |
|-------------------------------------------------------------------------------|--------------|
| <b>Associate Professor</b> , Department of Linguistics, UC Berkeley           | 2023-Present |
| <b>Assistant Professor</b> , Department of Linguistics, UC Berkeley           | 2021-2023    |
| <b>Assistant Professor</b> , Department of Linguistics, Georgetown University | 2017-2020    |

### EDUCATION

|                                                                                                                                                                                                                            |             |

## Conference proceedings

- 2026 [Editor's note](#)  
with Asmah, R.; Begus, G.; Dabkowski, M.; Garrett, A.; Kavitskaya, D.; Russell, K. & Yu, A.  
In the Proceedings of the 2025 Annual Meeting on Phonology 2(1).
- 2024 [Indexed definiteness without demonstratives in Guébie](#)  
with Badiba Olivier Agodio (Gubie Community Member), Peter Jenks, and Malte Zimmermann  
In Lecavelier, Jeanne, Niklas Geick, Mira Grubic, Prarthanaa Bharadwaj, Malte Zimmermann, eds.  
Proceedings of TripleA 10:  
Fieldwork perspectives on the semantics of African, Asian and Austronesian languages.
- 2022 [Counting mass nouns in Guébie](#)  
with Virginia Dawson  
In Descriptive and theoretical approaches to African Linguistics:  
Selected papers from the 49th Annual Conference on African Linguistics, 261-276.
- 2021 [Morpheme-specific phonology in reduplication](#)  
In the Proceedings of the Annual Meeting in Phonology 2020.
- 2020 [The division of labor between representations and cophonologies in doubly conditioned processes in Amuzgo](#)  
with Yuni Kim  
In Proceedings of the 50th Annual Meeting of the North East Linguistic Society, 2: 91-100.
- 2019 [The syntactic diversity of SAuxOV in West Africa](#)  
with Nico Baier and Peter Jenks.  
In Theory and description in African Linguistics: Selected papers from the 47th ACAL.
- 2018 [Cophonologies by Phase](#)  
with Peter Jenks  
In the Proceedings of the Forty-Eighth Annual Meeting of the North East Linguistic Society.
- 2018 [Classification of Guébie within Kru.](#)  
In African linguistics on the prairie, 37-49.  
Ed. Jason Kandybowicz, Travis Major, Harold Torrence, and Philip T. Duncan.
- 2017 [Process morphology in a realizational theory](#)  
In the Proceedings of the Forty-Seventh Annual Meeting of the North East Linguistic Society 1:91-104. Ed. Andrew Lamont and Katerina Tetzloff.
- 2017 [Dependent accusative case and caselessness in Moro](#)  
with Peter Jenks.  
In the Proceedings of the Forty-Seventh Annual Meeting of the North East Linguistic Society 2:109-119. Ed. Andrew Lamont and Katerina Tetzloff.
- 2016 [An interface model of phonologically determined agreement](#)  
Proceedings of the 33rd West Coast Conference on Formal Linguistics (WCCFL), 339-350.  
Ed. Kim, Umbal, Block, Chan, Cheng, Finney, Katz, Nickel-Thompson, and Shorten.
- 2015 [Nouchi as a distinct language](#)  
Proceedings of the 44th Annual Conference on African Linguistics (ACAL), 243-253.  
Ed. Ruth Kramer, Elizabeth C. Zsiga, and One Tlale Boyer.
- 2012 [Construction of the Gmane corpus for examining the diffusion of lexical innovations](#)  
with Kyle Marek-Spartz and Paula Chesley. Words and Networks (WON) Proceedings.

## TEACHING

### UC Berkeley (2021-Present)

Morphology (Ling 115)

Field Methods (Ling 140)

Structure of Guebie (Ling 170/270)

Professionalization seminar (Ling 200)

Advanced Phonology 1 (Ling 211a)

Advanced Phonology 2 (Ling 211b)

Advanced Morphology (Ling 215)

Field Methods (Ling 240a/b)

Training for linguistics teaching assistants (Ling 375)

### Georgetown University (2017-2020)

Freshman seminar on endangered languages (IDST 010)

Undergraduate Research (Ling 202)

Sounds of Language (Ling 215)

Field Methods (Ling 404)

Linguistic Typology (Ling 409)

Phonology 1 (Ling 411)

Phonology 2 (Ling 412)

Morphophonology Seminar (Ling 718)

### Other teaching experiences

|      |                                                                                                                                                                                     |
|------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 2026 | Atelier de formation en linguistique<br>Co-organized a 3-day workshop on language documentation, typology, and structure for Ivorian linguistics students<br>Abidjan, Côte d'Ivoire |
| 2022 | 6th African Linguistics School<br>Developed and taught a Morphophonology course for African linguistics students<br>Porto Novo, Benin                                               |

## PRESENTATIONS

### Invited presentations

|      |                                                                                                                                                                          |

## STUDENTS

### Dissertations advised

|      |                                                                                                                                                                         |
|------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 2026 | Katherine Russell (UC Berkeley)<br>Nasality in Atchan: Synchrony, diachrony and typology                                                                                |
| 2026 | Zachary Wellstood (UC Berkeley)<br>Aspects of Tone in Cua                                                                                                               |
| 2025 | Maksymilian Dabkowski (UC Berkeley)<br>Metrical stress and glottal stops in A'ingae:<br>A study of cyclicity and dominance at the interface of phonology and morphology |
| 2025 | Allegra Robertson Molinaro (UC Berkeley)<br>Laryngeal features and segmental length: Case studies in Yanesha', Barese, and Maranese                                     |
| 2020 | Maya Barzilai (Georgetown University)<br>The Relative Effects of Phonetic & Phonological Salience in Speech Sound Processing<br>Co-advised with Elizabeth Zsiga         |

### Past dissertation committees, member

|      |                                                                                                                                                |
|------|------------------------------------------------------------------------------------------------------------------------------------------------|
| 2024 | Emily Grabowski (UC Berkeley)<br>Acoustic Measurement in Phonetics: Current practices and future directions                                    |
| 2024 | Tyler Lemon (UC Berkeley)<br>The morphosyntax of verbal agreement in Uab Meto                                                                  |
| 2023 | Christiana McGrady (Georgetown University)<br>The phonetics and phonology of Alaskan Russian                                                   |
| 2023 | Bertille Baron (Georgetown University)<br>Multiple Conditioning and Variation in Phonological Alternations: The Case of Vowel Hiatus in Ikpana |
| 2022 | Amani Aloufi (Georgetown University)<br>A descriptive study of nouns and nominal phrases in Soqotri                                            |
| 2022 | Lydia Felice (Georgetown University)<br>Cyclicity and Linearity in Distributed Morphology                                                      |

**Past dissertation committees, member, cont.**

|      |                                                                                                                                                                      |
|------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 2019 | Jahurul Islam (Georgetown University)<br>Phonetics and phonology of ‘voiced-aspirated’ stops:<br>Evidence from production, perception, alternation, and learnability |
| 2019 | Lindley Winchester (Georgetown University)<br>The Morphosyntax of the Maltese DP                                                                                     |
| 2018 | Stacy Petersen (Georgetown University)<br>Accounting for Diphthongs: Duration as contrast in vowel Dispersion Theory                                                 |

**Current PhD student advisees**

Becky Everson  
Alice Lee-Kleinberg

**Other current PhD committees**

Alexander Elias  
Franco Liu  
Kai Schenck

**QP (qualifying paper) reader (Berkeley)**

Rhosean Asmah’s QP2, Spring 2026  
Kai Schenck’s QP1, Fall 2025  
Zachary Wellstood’s QP2, Fall 2024  
Claudia Iron Hawk’s QP1, Fall 2024  
Julia Peck’s QP1, Fall 2024  
Franco Liu’s QP1, Summer 2024  
Alexander Elias’ QP2, Fall 2023  
Katherine Russells’s QP2, Fall 2023  
Mingyu Yuan’s QP1, Spring 2023  
Rebecca Jarvis’s QP2, Spring 2023  
Tyler Lemon’s QP2, Spring 2022  
Maksymilian Dabkowski’s QP2, Spring 2022  
Dakota Robinson’s QP1, Spring 2022  
Allegra Robertson’s QP1, Fall 2021

**QE (qualifying exam) committees (Berkeley)**

Kai Schenck, Spring 2026  
Akil Ismael, Spring 2026  
Claudia Iron Hawk, Spring 2026  
Amber Galvano, Spring 2025  
Zachary Wellstood, Spring 2025  
Katherine Russell, Fall 2023  
Allegra Robertson, Fall 2023  
Alexander Elias, Fall 2023  
Tyler Lemon, Spring 2023  
Rebecca Jarvis, Spring 2023  
Maksymilian Dabkowski, Fall 2022  
Madeline Bossi, Spring 2021

## Undergraduate honors thesis advisees

Lindsay Hatch (Berkeley, Spring 2025; now a PhD student at UCLA)

Chelsea Tang (Berkeley, Fall 2022; now a PhD student at MIT)

Katherine Russell (co-advised with Elizabeth Zsigar; Georgetown, Spring 2020; UC Berkeley PhD)

## Undergraduate research apprentices (through URAP, UC Berkeley)

Jenna Kudaimi, Spring 2026

Alyssa Yang; Spring 2026

Carson Humphries, Spring 2026

Dylan Worden, Spring 2026

Robert Ucello, Fall 2025

Ajay Bhargava, Spring 2023

Calvin Quick, Spring 2022

## SERVICE

### Conferences and workshops organized

|           |                                                                                                                 |
|-----------|-----------------------------------------------------------------------------------------------------------------|
| 2026      | Chair, Co-organizer: What African languages can teach us about phonology, UC Berkeley                           |
| 2025      | Chair, Co-organizer: <a href="#">Annual Meeting on Phonology (AMP 2025)</a> , UC Berkeley                       |
| 2025      | Co-organizer, <a href="#">Exploring boundaries: Phonological Domains in the Languages of the World</a> , Tromsø |
| 2024      | Chair, Co-organizer, <a href="#">Phonological domains and what conditions them</a> , UC Berkeley                |
| 2024      | Co-organizer, <a href="#">WCCFL 42</a> , UC Berkeley                                                            |
| 2019      | Co-organizer, 3rd Afranaph Workshop, Georgetown University                                                      |
| 2018-2019 | Co-organizer, Georgetown University Round Table                                                                 |
| 2015-2016 | Co-organizer, 47th Annual Conference on African Linguistics, UC Berkeley                                        |
| 2014-2015 | Co-organizer, 41st Meeting of the Berkeley Linguistics Society, UC Berkeley                                     |

### Executive committee member

|           |                                                                                                     |
|-----------|-----------------------------------------------------------------------------------------------------|
| 2025-2028 | Elected Executive Committee member: <a href="#">Association of Contemporary African Linguistics</a> |
|-----------|-----------------------------------------------------------------------------------------------------|

### Review board member

|           |                  |
|-----------|------------------|
| 2020-2022 | <i>Languages</i> |
|-----------|------------------|

## Editorial board member

|              |                                                            |
|--------------|------------------------------------------------------------|
| 2024-present | <i>Journal of African Languages and Linguistics (JALL)</i> |
| 2025-present | <i>The Linguistic Review</i>                               |

## Ad hoc reviewer: Journals

Diachronica  
Glossa  
Journal of African Languages and Linguistics  
Journal of Language Contact  
Journal of West African Languages  
Language  
Languages  
Language & Linguistics Compass  
Linguistic Inquiry  
LI Squibs  
Linguistique et langues africaines  
Living Languages - Lenguas Vivas - Línguas Vivas  
Morphology  
Natural Language and Linguistic Theory  
Nordic Journal of African Studies  
Phonological Data and Analysis  
Phonology  
Studies in African Linguistics

## Ad hoc reviewer: Conferences

Annual Meeting in Phonology (AMP)  
Laboratory Phonology (LabPhon)  
North East Linguistics Society (NELS)  
West Coast Conference on Formal Linguistics (WCCFL)  
Annual Conference on African Linguistics (ACAL)  
Berkeley Linguistics Society (BLS)  
Linguistic Society of America (LSA)

## Ad hoc reviewer: Grant applications

Deutsche Forschungsgemeinschaft (DFG), German Research Foundation  
ELDP (Endangered Languages Documentation Program)  
NSF-DDRIG (National Science Foundation Doctoral Dissertation Research Improvement Grants)  
APS Lewis and Clark Fund for Exploration and Field Research
